CAMP

JUNE 15-28,  
2026

Habersham Community  
Theater is a 501c(3)  
organization.

# Who We Are

Habersham Community Theater (HCT) provides live theatre for the residents and visitors in Northeast Georgia. Our mission is to provide live entertainment, to offer opportunities for personal growth through use of creative talents in drama, music, art, and dance; to contribute to the cultural enrichment of the community; and to share emotions that enrich our perceptions of life and our understanding of others.

HCT makes its home in the Historic Habersham Theater, which was built as a movie theater in 1937. The theater is located at 1370 Washington Street, just off the square, in Clarkesville, Georgia.

## Camp Mission Statement

HCT Summer Performance Camp provides an opportunity for our youth performers to participate in a show specifically chosen for their enjoyment and growth as performers. Students will have the opportunity to learn production skills such as costumes, sets, lights, and sound, building a new generation of theater participants, volunteers, and supporters.

## The Experience

HCT Youth Performance Camp is a two-week intensive production experience. This year we are excited to present **Disney's Descendants: The Musical** directed by Lindsey Brackett. Auditions will be held prior to camp, and students will receive materials at least two weeks in advance of camp dates. Students are expected to attend camp already familiar with their lines and music. Through our daily classes, we will block, choreograph, build, and polish the show in only two short weeks!

# Class Descriptions

## **Ensemble and Improv Activities**

The foundation of a strong production is the unity of its cast and crew--the ensemble. Each morning of our first week together we will spend time getting to know and trust one another through ensemble building activities and games led by our director. A component of ensemble work is understanding the skill of improvisation--the accepting and building of offers within scenes. Through games and activities young performers will have the opportunity to hone these skills in order to enhance our production and grow them as performers and participants in a theater company.

## **Music and Choreography**

Students will work with trained professionals in music and dance to learn these essential musical theater skills. We will begin with learning and reviewing all group numbers, followed by solos. Soloists will have the opportunity for individual work and coaching throughout the week. Music will be taught first, and students who are unsure of their vocal range will be assessed and assigned a part. All ensemble members will be placed into a choreography group that will enable them to learn dances and movement at a comfortable pace for their skill level while challenging them to develop new skills.

Music Direction:

**LeAnne Challenger**, Owner/Instructor at Challenger Music, BA Music & Theater, MA Music

Choreography:

**Amber Miller**, BA Musical Theater

# Class Descriptions

## **Blocking Rehearsals**

Blocking refers to an actor's planned movement on the stage. During this rehearsal time, all students will participate in learning stage directions as well as characterization techniques such as objectives, stakes, and tactics. Students will annotate their scripts with stage directions for their character and opportunities will be given for students to devise movement for certain scenes in keeping with their characterization choices.

Director: **Lindsey Brackett**, Drama Teacher, M.Ed Theatre Education  
Acting Coach: **Amber Miller**, BA Musical Theatre

## **Production Teams**

All students will be assigned a production team: set, props, costumes. During scheduled times, they will work with the technicians for these teams to help create the visual world of the production. Students who are enrolled as Technicians will also work with an adult leader to complete their production design during music, choreography, and blocking rehearsals.

Stage Manager: Anna Arrington

Set Build Leaders: TBD

Props Leader: TBD

Costumes Leader: Amy Ivey and Suzanne Banks

### **A Note About Casting...**

Making these decisions is the hardest job for a director! Please know much thought and consideration goes into these choices. For this show we are looking for enthusiasm, strong vocals, and dance capabilities. We believe anyone can learn, so don't let vocals or dancing keep you from auditioning for a dream role!

We will be casting older students (15+) in most primary roles, however, we can't wait to see what our younger students bring to auditions. Want to Mal? Carlos? Maleficent? Show us you want it with a 1-minute musical theater song and and a 1-minute monologue from a published work!

This production will only be successful with excited performers who know, no matter their title, their presence matters to the show. Ensemble will be featured in multiple large dance numbers, and there will be non-singing, non-dancing opportunities as well.

Not sure what to audition for? Send an email to **[hctsummercamp@gmail.com](mailto:hctsummercamp@gmail.com)** and we will answer all your questions!
